To provide a networking opportunity between international and local trade and investment in the Mediterranean maritime region, the 10th Mediterranean Ports and Shipping 2023 Exhibition and Conference will take place in Athens (Greece) from 28 to 30 March 2023 and will be hosted by Port Authority of Piraeus.

The Conference Programme will feature 30 world-class speakers addressing topical issues and challenges for the Mediterranean region’s transportation and logistics infrastructure, 350 senior government officials, industry principals, academics, harbour masters, harbour engineers, port engineers, decision makers, importers / exporters, shipping lines, ports, terminal operating companies from countries throughout the Mediterranean.
There will be the opportunity for exhibitors and sponsors to network with delegates at this major international maritime trade event in the occasion of the Exhibition and Conference.

A comprehensive Technical Site Visit to the port will be arranged by Piraeus Port Authority.
