London (Europe),

9 – 13 September 2019

The London International Shipping Week is a resounding success with thousands of global shipping industry leaders across all sectors of the global shipping industry attending more than 160 official events throughout the week.

The event represents a unique opportunity to bring together key stakeholders from across the world to share expertise and insight, and focus on the future of the UK as a global hub for trade and investment. The UK is in fact the leading global centre for maritime business services, providing a broad range of financial and related professional services to the international maritime community.

The London International Shipping Week offers up to 200 industry functions and unique networking opportunities for leaders across all sectors of the international shipping industry – regulators, charterers, ship owners, ship managers, bunker suppliers, lawyers, ship brokers, bankers, insurers, insurance brokers, commodity traders and brokers, ship suppliers, port operators, shipping service providers and many more.

The event was created and is produced by Shipping Innovation Limited is an independent joint venture company that brings together two of the most creative, energetic and well-connected media companies in the maritime, transport and energy industries, Elaborate Communications Ltd and Petrospot Ltd.

This edition 2019 is organised by Shipping Innovation together with the Department for Transport, British Ports Association, Baltic Exchange, Maritime London, Maritime

UK, The Society of Maritime Industries, UK Chamber of Shipping, UK Major Ports Group and TheCityUK.
