Port of Baku (Azerbaijan), May 8 to 11, 2018

World Ports Conference

The International Association of Ports and Harbors (IAPH) world ports conference will held in Baku, Azerbaijan, 8-11 May 2018, hosted by “Baku International Sea Trade Port” CJSC (Port of Baku).

The main theme of IAPH 2018 is “Ports of the Future: Creating Hubs, Accelerating Connectivity”and it will offer a great opportunity to learn about new trends of the sector.

Four-day conference will discuss the mainstream developments in the Port industry including, multimodal transportation and containerization of world terrestrial and maritime trade; also will focus on the important and interesting topics like emerging transport corridors in the region and around the world, contribution of the free trade zones to the domestic economy and the economy of the neighboring countries, the concept of “SmartPorts”, “Green Ports”, as well as maritime tourism and the cruise industry.

The conference agenda also includes technical visit to the new Port of Baku in Alat.
